

**10<sup>th</sup> World Action Pistol Championships**  
**Whangarei Pistol Club**  
**November 2016**  
**wapc2016.com**  
**Club Range: 202 Maunu Rd, Whangarei**

1<sup>st</sup> April 2016

**Welcome to World Action Pistol Champs. We need you - so line up and join in.**

This is the third time New Zealand has had the opportunity to host this world class match, firstly in 1999 and again in 2008 when the match was hosted by Hamilton Pistol Club; but as with all successful matches we need help.

The 2016 match was to be hosted by Italy but due to a change of circumstances they had to pull out. Thankfully Whangarei offered to step in at short notice. A big improvement programme was already underway at the range so this work has been accelerated to ensure the range will be Match ready.

We currently need:

**Range Officers** – to oversee the Target Operations and general running of each range.

It is preferential that these volunteers hold a Holster Qualification.

**Assistant RO / Range Helpers** - these people will help the RO's and assist with setting up targets, collating targets, getting shooter information onto targets and checking shooter information.

**General Range Runners** - general range duties, ensuring shooters and staff range safety procedures are followed, as per RO instructions.

Now you don't have to volunteer for the entire match, you can do one or more days or perhaps part days. Full training will be given to all volunteers. Anyone who helps will be given a pro-rata deduction from the entry fee for the match.

All persons interested are able to go to the website and making contact through the contact us page <http://www.wapc2016.com/index.php/contact-us/> and we will forward your information to the Range Staff Co-Ordinator.

Any help will be greatly appreciated and modestly rewarded.

Thanks in advance

Richard Munt
